RE: Addendum #1

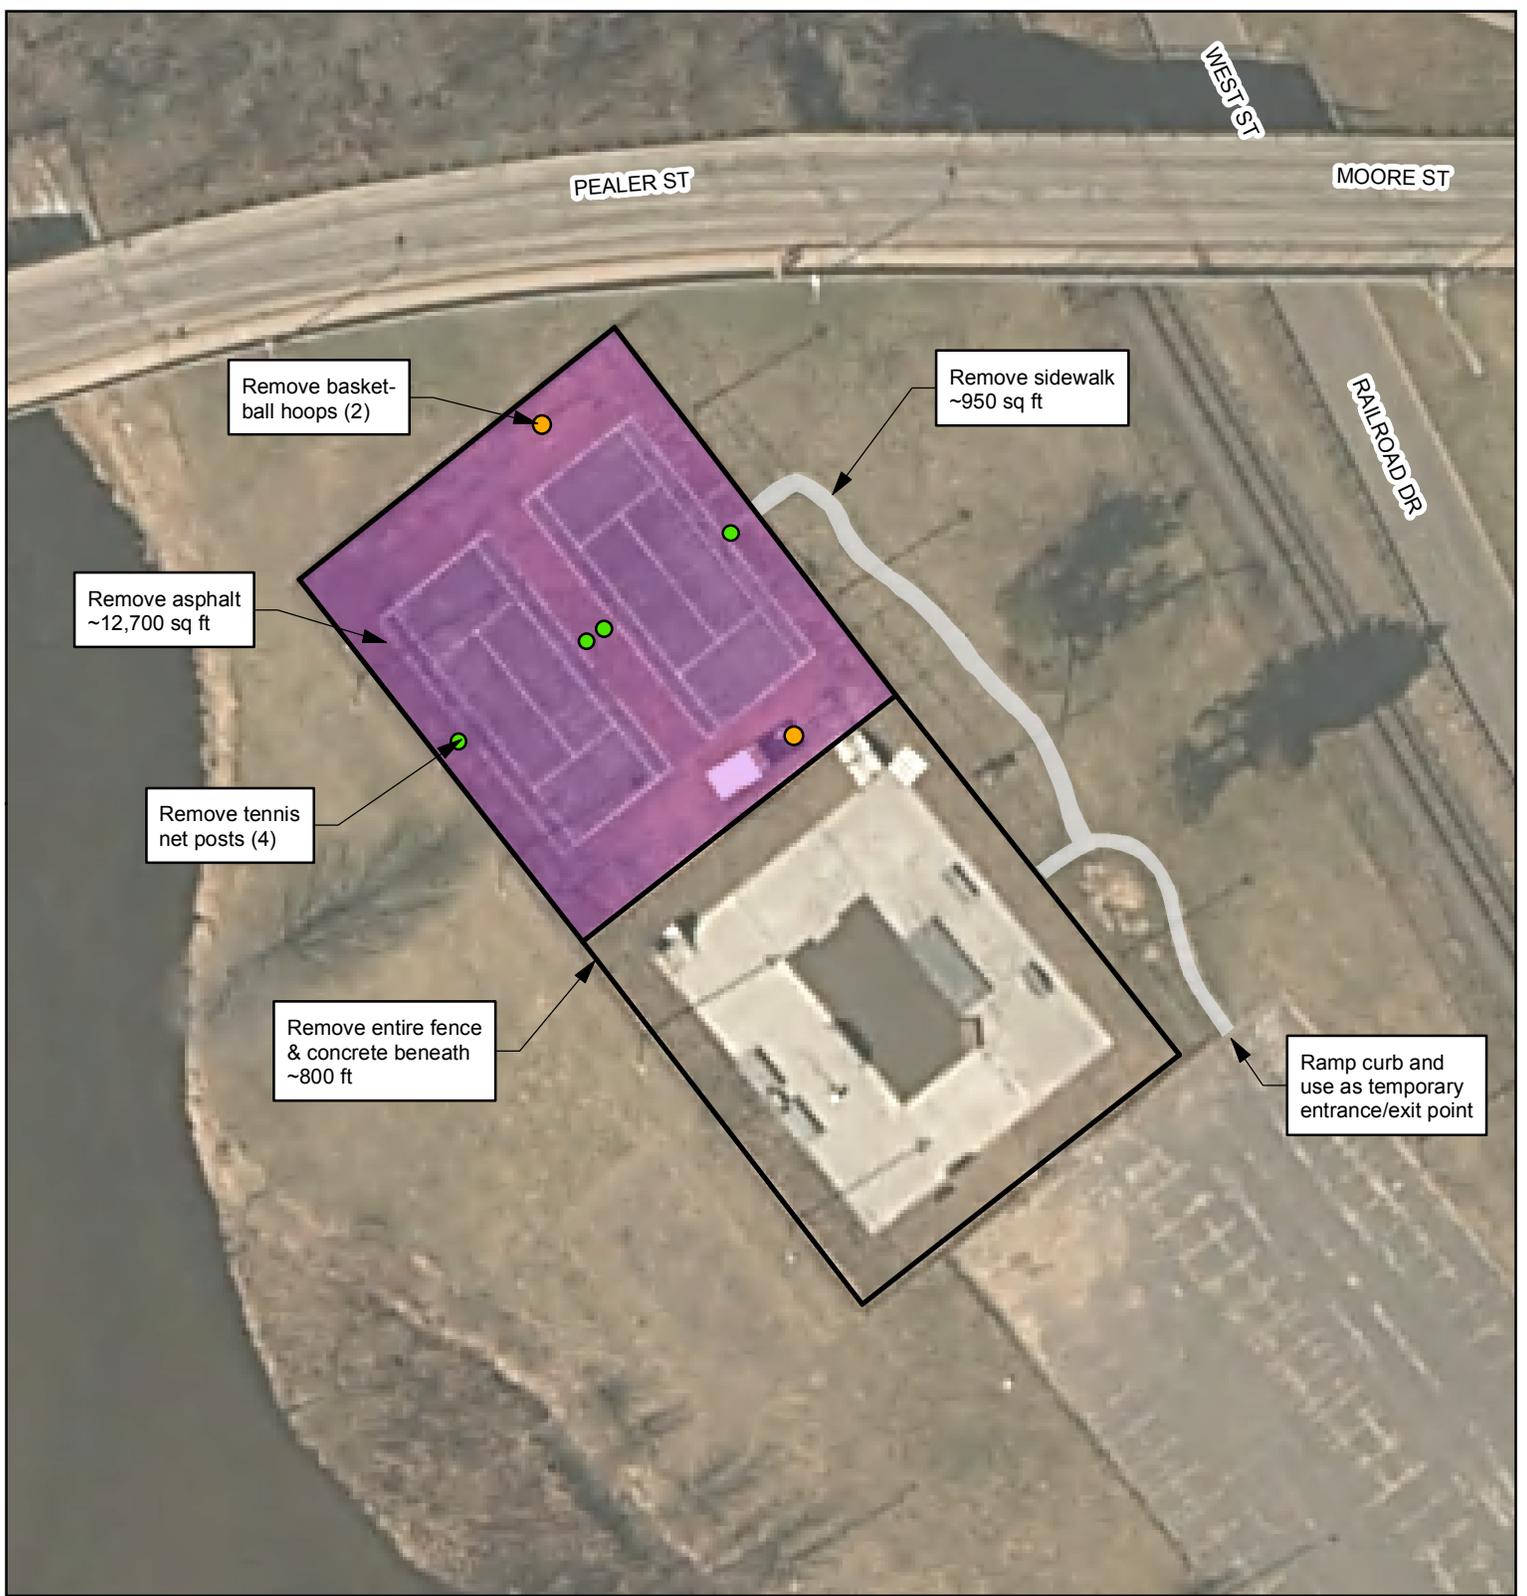

DATE: February 15, 2016

The following are clarifications to the specifications of the above-mentioned project:

1. The permit that will be needed, if that alternate is selected, is a soil erosion permit from St Joseph County.
2. Add a line item #9, sidewalk removal. The topsoil and seeding for this portion will be included in this line item. It is also an alternate item.
3. Attached is the drawing that was referenced in the original specification letter.

Thank you for your interest in this project. Any further questions may be directed to me at 269-273-1845 or aroth@threeriversmi.org.
