City of Three Rivers, Michigan

CWSRF Project No. 5761-01

WWTP and Pump Station Improvements, Contract A

Pump Station Improvements

ADVERTISEMENT FOR BIDS

Sealed Bids for the City of Three Rivers, Michigan, CWSRF Project No. 5761-01, Contract A – Pump Station Improvements, will be received by the City of Three Rivers, Michigan at 333 West Michigan Avenue, Three Rivers, Michigan 49093 until 2:00 p.m., local time, on August 3, 2022, at which time they will be publicly opened and read.

A non-mandatory pre-bid meeting will be held at the City of Three Rivers, Michigan, Wastewater Treatment Plant, 409 Wolf Road, Three Rivers, Michigan 49093 at 9:30 am, Monday, July 18, 2022. Interested bidders are encouraged to attend.

In general, the work consists of improvements to or replacement of all City of Three Rivers, Michigan pumping stations. Work includes replacement of the existing Constantine Street pump station with two new pump stations located on either side of the St. Joseph River, as well as a new, directionally drilled force main river crossing. Additional project work includes replacement and relocation of the American Axle pump station. Three additional stations will have significant improvements. Fourth Street and Union Street will receive new pumps, piping, electrical, instrumentation, and appurtenances at the existing pump stations. Adams Street pump stations will also receive improvements including a new roof, electrical equipment, instrumentation, and appurtenances. The remaining six, City pump stations; Airport, Hov Aire, Cinema, Coolidge, East Strip Mall, and Shell gas station will each receive new SCADA equipment.

The issuing office is Jones & Henry Engineers, Ltd., 4791 Campus Drive, Kalamazoo, Michigan 49008, Phone (269) 353-9650. Copies of the Bidding Documents may be examined at the Owner's office listed above or the issuing office, without charge.

Technical questions regarding the project should be e-mailed to the Project Manager, Rick Eshlaman, PE, reshlaman@jheng.com at Jones & Henry Engineers, Ltd.

Copies of Bidding Documents and Contract Documents may be obtained electronically from www.jhplanroom.com. There is no charge to download from the digital print-room; however, registration is required. If hard copies of the bidding documents are needed, they can be ordered from the print-room for a fee. If you have any problems using the digital print-room, you are encouraged to contact either the Engineer's Project Manager, or Eastern Engineering at 419-661-9841.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated in these documents.
