Urging residents and business owners near rivers to prepare for rising waters.

Citizens are urged to **STAY OFF THE RIVERS**. High water levels cause strong currents making the water unsafe.

Please do not attempt to drive or traverse through barricaded streets and roadways.

Water Levels are expected to crest today at 9.6' which is considered moderate flood level. Predictions are expected to see a consistent decrease throughout the next 7 days ending at 7' which is considered minor flood level.

Any affected residents requiring temporary emergency shelter may contact the American Red Cross at the Three Rivers Commission on Aging at (269) 279-8083.

Please check back for further updates as new information becomes available.
