

# ST. JOSEPH COUNTY HAZARD MITIGATION PLAN

## PUBLIC SURVEY

# NOW OPEN!

St. Joseph County is in the process of developing a Hazard Mitigation Plan and we need the input of residents. The public is encouraged to share opinions, experiences, and knowledge about natural hazards affecting our county for inclusions in the final Hazard Mitigation Plan. There are several ways to access and complete the survey:

- Follow this link: [HAZARD MITIGATION PLAN PUBLIC SURVEY](#)
- Open your cell phone camera and scan the QR code with a link to the survey
- Fill out a hard copy of the survey and return to a submission box at one of three locations:
  - Commission on Aging Oaks Enrichment Center  
306 N. Franks Ave  
Sturgis, MI 49091
  - Commission on Aging Rivers Enrichment Center  
1200 W. Broadway St  
Three Rivers, MI 49093
  - St. Joseph County Historic Courthouse (lower level)  
125 W. Main St  
Centreville, MI 49032

When the draft Hazard Mitigation Plan is completed, the public will again have the opportunity to provide feedback and input. Thank you for participating!

Questions or comments on the process can be directed to:
