NEWS RELEASE

The Three Rivers Department of Public Services will start our biannual hydrant flushing on **Tuesday, September 7**. We expect flushing to continue through **Friday, October 8**. Flushing will occur Monday through Friday from 7:00 AM until 3:00 PM.

Due to many variables, we are not able to determine the exact date we will be in each district, but we will be starting in first district followed by fourth, second, and third.

Please be aware that some rusty water may be experienced during this time. If there are any prolonged problems call the DPS office at 269-273-1845. Thank you for your patience.
