NEWS RELEASE

The Three Rivers Department of Public Services will re-start our biannual hydrant flushing on Monday April 23. We expect flushing to continue through Friday May 18. Flushing will occur Monday thru Friday from 7:00 AM until 3:00 PM.

Due to many variables, we are not able to determine the exact date we will be in each district, but we will be starting in first district followed by fourth, second, and third.

Please be aware that some rusty water may be experienced during this time. If there are any prolonged problems call the DPS office at 269-273-1845. Thank you for your patience.
