Scidmore Park 2017 Programs

June 10th Exotic Birds Theresa Barylak presents exotic pet birds & tells us how to care for and interact with them.

June 24th Wildlife Neighbors The Kalamazoo Nature Center brings a hawk, rabbit & snake and teaches us about their jobs in the community.

July 1st Pythons on the Lawn Muxlow's Exotics brings a giant python & other exotic reptiles to the zoo.

July 8th Raptor Experience Lake Milton Raptor Education Center brings hawks, owls, falcons & a vulture and teaches us about them.

July 15th Nature's Best Builders The Kalamazoo Nature Center shows us how birds, beavers & bees are the best builders. We'll even meet a live animal architect!

July 22nd The Secret Lives of Horses Get a chance to interact with Joey, the zoo's miniature horse, & find out how horses make friends and protect themselves.

July 29th We Llove those Llamas Moondance Llamas brings their lovely and gentle llamas to visit the zoo.

August 5th Night Hunters Lake Milton Raptor Education Center brings a variety of owls & teaches us about them.

August 12th Helping Wild Birds Licensed wildlife rehabilitator Patty Kloosterman teaches us how to help injured & orphaned wildlife.

August 19th Wildlife Neighbors Kalamazoo Nature Center brings an owl, snake & interesting bugs and teaches us about their jobs in the community.

August 26th After a While Crocodile Muxlow's Exotics brings an alligator & a crocodile, filling our zoo grounds with their toothy grins.

September 2nd Exotic Birds Theresa Barylak brings even more exotic pet birds for you to meet.
