Bidding Information

Performance Bids

The City of Three Rivers is committed to the concept of performance bids. All vendors are encouraged to submit bids which conform to the stated specifications, as well as, suggest deviations from the specifications, which in the vendor's opinion would be beneficial to the City in terms of price and performance. The City reserves the right to accept or reject any bid under these terms.

I. Instructions

- A. Bids must be typewritten or clearly printed in ink and signed by a duly-authorized representative of the firm submitting the quote.
- B. Bids must be submitted in sealed envelopes, clearly marked on the outside, "**Bids for 2025 Utility Locating (Pot Holing)**".
- C. Bids will be received by the Office of the City Clerk, City Hall, 333 West Michigan Avenue, Three Rivers, Michigan, 49093, until **2:00 p.m. local time, Thursday, October 23, 2025**. All bids will be date stamped and time marked when received.
- D. Faxed or emailed bids shall not be accepted.
- E. If you received this document from our website, please e-mail your contact information to aroeth@threeriversmi.org so we can place you on the bidders list for addenda.

II. Conditions Applicable to Bids

- A. Applicable Laws: The Ordinances and Charter of the City and laws of the State of Michigan concerning competitive bidding, contracts and purchases will be employed.
- B. Taxes: The City of Three Rivers is generally exempt from Federal Excise and Michigan State Sales Tax. Prices should not include tax.
- C. If the bidder elects to deviate from the specifications stated, all exceptions or other changes must be clearly noted.
- D. The City reserves the right to reject any and all bids, waive informalities or defects in bids, or accept such bids as it shall deem to be in the best interest of the City of Three Rivers.
- E. The City does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services.
- F. The Contractor shall provide proof of Liability and Workman's Compensation Insurance and a completed W-9 form prior to award.
- G. The successful bidder shall provide the City with a copy of their liability insurance policy in the amount of \$2,000,000 (Two million Dollars) which names the City of Three Rivers as second insured.
- H. Anticipated award is at the **November 10, 2025** Commission meeting. Final completion of this project shall be no later than **June 30, 2026**.

III. General

References

All materials, equipment and traffic control measures shall conform to the current Michigan Department of Transportation (MDOT) “Standard Specifications for Construction” and MDOT “Manual of Uniform Traffic Control Devices” as well as the latest edition of the “American Society of Testing Materials” (ASTM).

Scope

Utility pot holing via vacuum extraction for purposes of determining material types on the house and street sides of the existing curb stops for a portion of the listed water services throughout the City of Three Rivers.

Project locations will be selected from the addresses listed in the attached **Appendix A**.

The contractor shall provide all materials, equipment and labor to perform the requested work. Work shall include, but may not be limited to the following items:

- Request utility locates through the MISS DIG system for all locations requiring work.
- Hydro-Excavate to determine water service material types at a distance of at least 18” either side of the existing curb stop. Work may require 2 pothole locations for an address if the curb box has a hard surface obstruction such as a sidewalk.

Contractor shall determine the water service material types, sizes and depths either side of the curb stop. Determinations of the material type shall be by visual inspection and/or magnets, whichever is needed to determine the water service material type. Service types are expected to be Lead, Galvanized, Ductile Iron, Copper, or Plastic. Water services **cannot** be identified as “copper” or “not copper” in the project log.

Following hydro-excavation the contractor shall clean each location and backfill areas as follows. Costs for the backfill will be considered incidental to the hydroexcavating line item and will not be paid for separately.

Grass areas shall be backfilled with clean sand to grade until restorations are completed, unless restorations will occur immediately upon completion of the work.

Debris from the hydro-excavation shall be disposed of in a safe and legal manner.

The City will provide a disposal site for the “clean” excavated soil materials at the Department of Public Services located on S Lincoln.

Surface restorations shall be on a schedule approved by the city’s Project Manager.

Final Grass Area Restorations: Provide 3” of topsoil over the clean sand and seed each location.

Provide the City a written inspection log, on a city prepared form. Generally, the requested information will include the work location address, utility pipe material type on each side of the curb-stop, depth and size of the service. Location will also include GPS coordinates of the curb stop location along with the submittal of a GPS location data file at the end of the project.

Per City of Three Rivers Ordinance Section 4-12.8 h, work shall be restricted to the following hours, except as work may relate to the safety and/or protection of persons, the work or the property at the site:

- Monday through Saturday (except legal Holidays): 7:00am to 6:00pm
- Work requests outside these time limits require written permission of the City Manager.

The City will provide the following items for this work:

- Water for use by the contractor.
- Dump site for “clean” soil materials.
- Physical location of the curb box in response to the Miss Dig locate request.

Measurement and Payment

The measurements which shall be used for payment are listed on the included bid form.

Traffic Control

Traffic Control will be required for this work, at a minimum, as follows:

City “Local” & “Major” Streets: Provide “Work Ahead” signage and cone tapers at both ends of the active work area. Flagging may be required at areas of limited site visibility.

MDOT ROW work on M-60, BR US-131 or M-86: Obtain an appropriate MDOT Permit and provide traffic control as required by said permit.

Timing Limitations

The project completion date of June 30, 2026 provides for adequate time to complete any additionally required paperwork. All field work shall be completed on or before June 12, 2026.

Bid Bond/ Performance Bond:

Bids must contain the names of every person or company interested therein and shall be accompanied by a Bid Bond in the amount of 5% of the amount bid with satisfactory corporate surety, subject to conditions provided in the Instructions to Bidders. The successful bidder will be required to furnish satisfactory Performance Bond and Maintenance and guarantee Bond in the amount of 100% of the Bid, and Labor and Material Bond in the amount of 50% of the Bid.

Bid Form

The undersigned having familiarized (himself/themselves) with the local conditions affecting the cost of the work and the Contract Documents hereby proposes to perform all work, furnish all labor, materials, necessary tools, equipment, utility and transportation services necessary complete the project in a workmanlike manner. All work required for project in accordance with the specifications as prepared by the Department of Public Services, City of Three Rivers, Michigan, for, including Addenda No. ____ issued thereto, the following unit prices:
