PUBLIC NOTICE

The Three Rivers Department of Public Services will begin our biannual hydrant flushing on Monday September 4 at 11:00 pm. We expect flushing to continue through Friday September 29, 2017 at 6:00 am. Weekly flushing will occur Sunday thru Thursday from 11:00 pm until 6:00 am.

Due to many variables, we are not able to determine the exact date we will be in each district, but we will be starting in first district followed by fourth, second, and third.

Please be aware that some rusty water may be experienced during this time. If there are any prolonged problems call the DPS office at 269-273-1845. Thank you for your patience.
