TO: Bid Document Holders for FY 18 Sanitary Sewer Televising

FROM: City of Three Rivers – Amy Roth

RE: Addendum #1

DATE: April 30, 2018

The following are clarifications to the specifications of the above-mentioned project:

1. Traffic control can be provided by means such as cones, arrow boards, and signage.
2. There is no bid bond required for this project.
3. The water is located at 1015 S Lincoln Ave and there is no cost for this project.
4. There are no fees to dump at the WWTP for waste from this project
5. Item 2 on the bid document should be corrected to be 2,753 lf instead of 2,431. Please place the revised quantity on the existing bid form.
6. MDOT will require a permit for the televising and cleaning activity, but there is no cost for the City to acquire the permit.
7. Deliverables clarification – require the following:
 - a. Standard PACP Exchange Database in electronic format produced from PipeLogix or equivalent software.
 - b. Complete set of televising records including photographs and videos on a USB plug & play compatible portable external hard drive. Also include a notebook of the digital items.
 - c. Provide PipeLogix database in a read-only format using software or

approved equivalent. Also provide the read only version of PipeLogix or equivalent approved software. Videos and photos must also be in a readable format with standard viewing software, if a specific program is needed, submit for pre-approval.

8. Extensive root cutting will be determined on-site with City staff prior to completing the root cutting. Root cutting shall not take place unless authorized by City staff. Extensive root cutting is jointly determined with City staff and the contractor.
9. Included is an example of the letter.
10. Included is a copy of the local preference policy.

Thank you for your interest in this project. Any further questions may be directed to me at 269-273-1845 or aroth@threeriversmi.org.

Amy Roth, P.E.
DPS Director
